

Application for a Technical Approval

in terms of provisions of § 26, paragraph 2 of the Construction Product Act No 90/1998 of Coll. as amended

No. 004/.....
(filled in by the Approval Body)

1 **Manufacturer:**

Company name:

Address:

Represented by:

(Name, position, phone, fax)

Entitled staff

(Name, position, phone, fax, email)

2** **Applicant:** *(should be filled in if the application is submitted by an inland importer, inland agent of the foreign manufacturer, or inland reseller)*

Company name:

Address:

Represented by:

(Name, position, phone, fax, email)

Nominated Technical contact:

(Name, position, phone, fax, email)

3 **Following data relate to body^{***} submitting the Application**

CRN:

(Company Registration No.)

Registration:

(Registered at / Registration number)

VAT code:

Bank details:

Account No.:

IBAN Code:

(Foreign applicants only)

BIC / SWIFT code:

(Foreign applicants only)

4 Product:

Trade name (s) of the product, as will be given in the approval:

Generic type of the construction product:

(detailed identification according to the valid standard, corporation documentation, catalogue, and similar)

Manufacturing plant (s) where the construction product is to be placed

(full address (es))

CSK:

(Product classification pursuant to the Annex no. 1 to the Regulation no. 158/2004 Coll. of the of the Ministry of Construction and Regional Development):

Characteristics of materials from the view of reaction to fire:

(pursuant to § 3, paragraph 3 of the Regulation no. 520/2001 Coll. of the of the Ministry of Construction and Regional Development)

5 Product and production data

Product identification and product description:

(Detailed and unique description of the product, of type of material, dimensions)

List of related regulations and documents:

(List of all documents to which the Manufacturer of the construction product refers to within the documentation, including technical reports and protocols concerning up-to-now test results)
